# PHASE ONE now selling

Contemporary  
living in the  
of heart  
**NATURE**

“Own  
your share of an  
**urban**  
wildlife reserve”

## Large-scale urban **NATURE RESERVE**

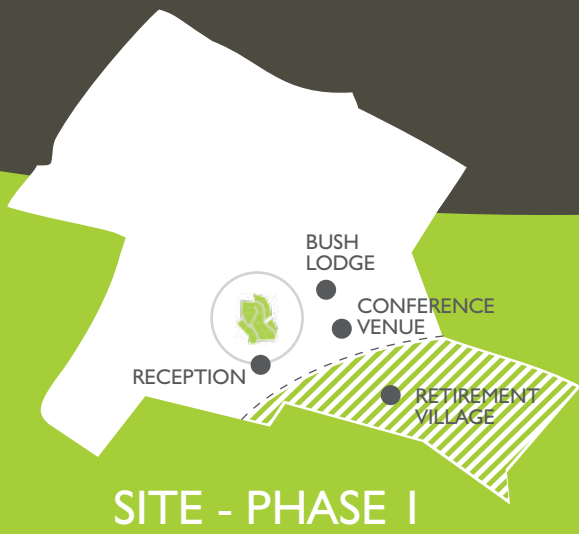

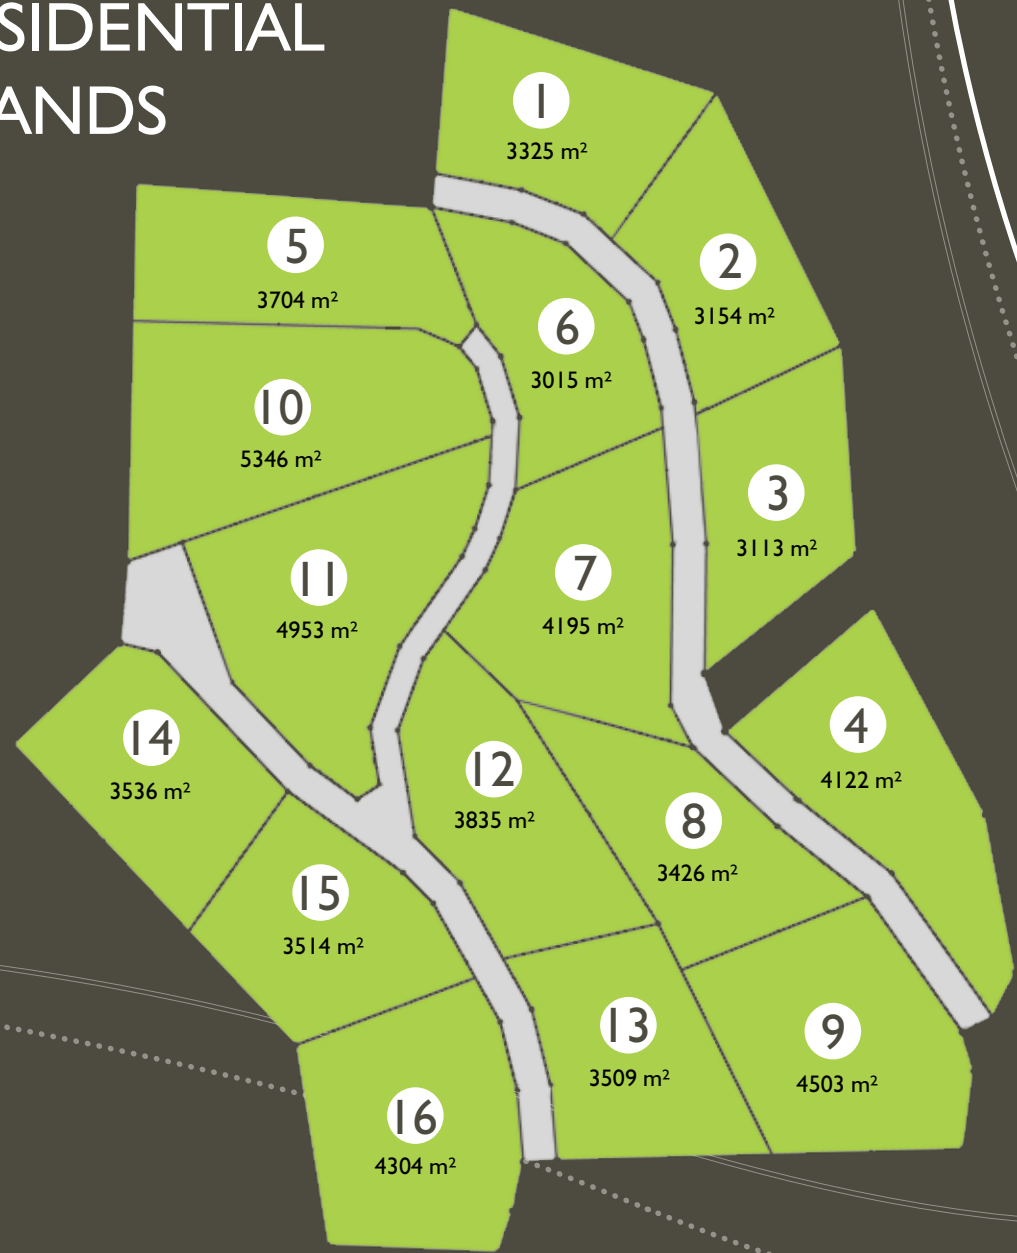

- 41 residential stands
- Award-winning sustainable architecture
- Unique biodiversity
- 3000 hectares of pristine flora and fauna, including eland, kudu and Cape mountain zebra
- Managed by a professional wildlife management team
- Highly secure

The first houses in phase one are currently under construction.

# AVAILABLE RESIDENTIAL STANDS

## Port Elizabeth is on THE RISE

Hopewell is part of Port Elizabeth's western growth corridor. Other major developments include the Baywest Mall and the modern Greenbushes light industrial zone.

## We're in THE CITY

The estate is close to:

- Wedgewood Golf & Country Club
- Baywest Mall
- Woodridge College and Preparatory School
- Newton Park business district
- Greenacres Hospital
- Maitlands beach
- N2 motor way
- Port Elizabeth International Airport

# Experience a contemporary lifestyle LIKE NO OTHER

Hopewell offers residents and visitors an experience like no other:

- Sustainable and serene lifestyle
- Outdoor activities including mountain biking, hiking and trail running, horse riding, bird watching and game drives
- Let your children experience the freedom of growing up in the outdoors in a child-friendly environment

Future phases of the development include:

- Function venue and bush lodge
- 600 hectare lifestyle estate adjacent to the nature reserve, including a retirement village and rural residential estate
- Frail care centre

## “Biodiversity

at Hopewell is exceptional.” Dr Johan Joubert – Shamwari Wildlife Director

## “The architecture at Hopewell

is about enabling a sustainable lifestyle.” Richard Stretton – KOOP Design

## “Hopewell is an exciting model

of large-scale urban conservation.” Andrew Muir – Executive Director of the Wilderness Foundation
